A HAPPY NEW YEAR TO ALL!

RUSLAND HORIZONS NEWS

The Rusland Horizons 'Big Xmas Bash' in December saw 35 local volunteers bridge-building (the 'Big Bash Bridge' near Oxen Park), path clearing (above Ickenthaite) *, coppicing (Henry Wood, Rusland) and digging drainage channels (Stoney Hazel woods, Rusland). See our website and Facebook page for photos! All this hard work was followed by a well-deserved and delicious lunch plus a quiz at the completely refurbished Manor House pub in Oxen Park. In the next few weeks our events include:

- Community Forum and Supper, Tuesday 20 February, 7-9pm, Greenodd Village Hall. Come and chat to the team at this informal social event (booking essential for supper numbers).
- Joint conservation work party on 6th February with the Butterfly Conservation
- Woodland Archaeology Surveys in March/April – look out for details on the website.

Please book for all events via the website as usual at www.ruslandhorizons.org.uk

See the website What's On pages for more information and more events.

*A Rusland Horizons group spent a day clearing the brambles and gorse from Miles Dickinson's woodland walk from Ickenthaite. It is now clear and needs walking to keep the undergrowth down. Park up by the bridge below the farm and follow the waymarkers – if you aren't sure where to go get in touch with Carol McNeill or Mandy Barr - Lane.

THE MANOR HOUSE, OXEN PARK

Open Mic nights will continue on the 3rd Friday of each month, starting on 16th February. Come along and just listen, or seize the chance of stardom and grab the mic! Watch out for the Valentine's Day menu – details to follow. The Day itself is 14th February, as usual!

HAVE YOUR SAY ON THE PROPOSED ZIP WIRE DEVELOPMENT AT THIRLMERE

Maybe you haven't yet heard about the proposal to erect an eightfold zip wire construction across Thirlmere.

If you agree with over 700 supporters of the petition against this planning proposal, then please show your support by signing the petition at change.org.

What would also help tremendously would be if you would please write to the LDNPA, voicing your objection (if you haven't done so already).

COLTON PARISH COUNCIL NEWS

Lengthsman: After a busy month in November with flooding Archie had a quieter time in December. He has cleared around the bench at Colton church, so it is now a pleasant place to sit and rest. Road signs at both Oxen Park and Hay Bridge have had some TLC. The Hay Bridge one is looking particularly splendid now, thanks Archie. Work has also been done to help with the mapping of all the drains within the parish, not an easy task; 36 recorded this month just in Finsthwaite. Of course, looking for the drains has now revealed 6 that need unblocking which will be scheduled over the coming weeks.

Planning Applications: There seems to be more planning application being submitted to the Lake District National Park Authority than usual at the moment. These do take up a Councillors time but are a part of the role where the council can really be used to represent the views of those living in the parish. It is worth remembering that there are several documents the councillors refer to when making their decisions; these are LDNPA policy and the Colton Parish Council Community Plan. It is through these that the decisions can be unbiased and in support of the wider community.

Illegal off-road vehicles: The Council has been made aware of increasing damage to Bethacar Moor through the use of off-road vehicles. Whilst the vehicles can legally use a Byway or Green Lane as they are sometimes known the damage is being done when the vehicles deviate from the Byway, possible because of obstructions or better routes. If anyone is concerned about vehicles damaging Bethacar Moor, then reports can be made to the police using 101.

Rural crime Initiative: A decision has been made by Colton Parish Council to withdraw from the Rural Crime Initiative that it was jointly involved with. The reasoning was broadly due to the additional workload it would have placed on the council at a time of a reduced number of councillors to drive such a project forward. This does not mean that the parish council is not still keen to tackle rural crime, it just means there are certain aspects they will no longer be involved in.

Our next parish meeting is Monday 19th February 2017 in Rusland Village Hall, 7pm.

RUSLAND AND DISTRICT WI

December is the month when we hold our annual Carol Evening in aid of charity.

This year was, as usual, most successful and the amount raised, £677 in aid of Derian House Children's Hospice, was the highest ever. Since these evenings started in 1979 over £11,666 has been raised for charity. Our president, Sally Lister welcomed everybody and a representative from Derian House gave a short talk about the work of the hospice. Ten carols were sung lustily by the audience, the choir sang three pieces, Sing we now of Christmas, Angel Carol and a particularly spirited rendering of The Twelve Songs of Christmas, and we were delighted by the Rusland Handbell Ringers playing See Amid the Winter's Snow and Mary's Boy Child. Four readings interspersing the carols were given by Sue Maxwell, Helen Adams, Christine Jackson and Hilary Collins.

The January meeting will be held on Tuesday, 16th January at 7.30 p.m. at Satterthwaite Parish Room when we are looking forward to hearing Archie Workman giving a talk entitled "Drain covers!"

Why not start the new year by joining this very active group? You would be most welcome.

CHURCH NEWS

Dear Friends,

I hope you will have seen information about the Moving Mountains event (8th -10th March), which is happening locally and across the county. There are all sorts of things going on here during those days (details elsewhere) but I wanted to take this opportunity to highlight a couple of big names who are coming to our area: John Sentamu and John Bell.

John Sentamu is the Archbishop of York, the second most senior position in the Church of England, a position which gives him a global voice. Archbishop Sentamu came to the UK in 1974, having escaped his native Uganda, where he had openly criticized Idi Amin. He became Archbishop of York in 2005. He will be taking part in a question and answer session at St Mary's Parish Centre in Ambleside on Thursday 8th March at 7.30pm.

John Bell is an equally big name, albeit a less 'establishment' one. He is a Church of Scotland Minister, a hymn writer, liturgist and occasionally outspoken activist. He regularly appears on Radio 4's Thought for the Day. He will be giving two talks in the Market Hall on Saturday 10th March: 10am-12.30pm The Love of God and Global Warming; 1.30pm-3.30 Keeping Faith in an Age of Consumerism. John is a famously engaging speaker and we are very lucky that he will also be preaching at a special Mothering Sunday Service at 10am at the parish church in Hawkshead.
