FALL INTO AUTUMN

A CELEBRATION OF AUTUMN

The first ever Oxen Park and Bandrake Head 'Jar Fest' was held on Sunday 19th October. More than 30 folk, from Coniston to Lancaster, submitted over 130 entries, displayed in the beautifully decorated local Reading Room, resplendent in red and white gingham and gorgeous autumnal decorations. There were jams, other things in jars, things to go with jams, and photos and limericks. The other essential ingredient was plenty of interested visitors but heavy rainfall, the first in weeks, played its part in keeping numbers low. Nevertheless, formal judging yielded over 25 prize-winners; bragging rights went jointly to Gay Jarvis and Helen Adams who both scored the most points although Pam Priestley should feel proud to have won the 18-strong Chutney class. Tea and cake (generously donated by local people and WI members) was available to visitors from the kitchen, efficiently run by Christine Jackson and helpers. Rick and Sarah Emslie promoted a raffle with top prizes from The Manor House and The Hawkshead Relish Company, as well as other generous contributors. The day had been organised as a fund-raiser for the Reading Room and, despite the modest turnout, about £500 was raised. Thanks are due to many people who made this first event a qualified success, none more so than to the four brolly-wielding gentlemen from Oxen Park who took charge of parking arrangements. Sadly, theirs was not the most enjoyable aspect of the day!

Tackling storm damage Storm Amy caused localised flooding, fallen trees and branches and surface damage on some lanes. We have reported the issues that we have been made aware of to the Westmorland & Furness Highways Team and hope that the repairs will be carried out soon.

Steps you can take:

- You can report problems, including flooding, potholes, fallen trees and damage to the road surface and by phoning the Council on 0300 373 3300 or using this link <https://www.westmorlandandfurness.gov.uk/parking-streets-and-transport/streets-roads-and-pavements>
- If a drain needs clearing or the verges require work, you can contact the Parish Council and we will assess if the job is something Archie, our Parish Lengthsman, can do. **Colton Parish Council has supported new proposals to apply Public Space Protection Orders (PSPOs) to the East side of Coniston Water.** Following increasing concerns about anti-social behaviour, we have added our voice to calls for increased powers for the Council and all those involves in visitor management to tackle this growing problem.

SATTERTHWAITE PARISH COUNCIL NEWS

Our October Parish Council meeting saw some of our community in attendance and we really appreciated your support and contributions. Some topics covered included village parking, highways issues such as potholes and road closures, budget setting and the decision on devolution amongst many other items. The new Parish Council website has been built but is still going through some adjustments before being accessible to the public, including registration with the Cabinet Office - we are hopeful this should be done by the next edition of the newsletter so we can share it. In the meantime, do contact me for the minutes if you would like a copy, and I will send them round the community emails in the meantime.

We would also like your support in the re-development of the Satterthwaite playground. If you have any ideas of what equipment you would like, we would love to hear from you prior to getting quotes. email clerk.satterthwaitepc@gmail.com

Our October meeting was at Finsthwaite when 3 of the Dragon Boat Ladies came to tell us about the world wide charity Paddlers for Life, set up in 1996 to provide exercise, help and well being for breast cancer survivors. The Windermere group runs from the Low Wood water sports centre and is on the water from mid April to October each year. The craft group is working towards a Christmas Festive Tea on Tuesday, 25th November to raise money for the Barrow Foodbank. The walking group had a wonderful autumn walk at Cartmel and we have had a really useful self help technology day. We had a table at the Silver Sunday event at the Coronation Hall which was well worth while at this well attended event.

Our Annual Meeting is on Tuesday, 18th November at 7.30 p.m. at the Rusland Reading Room. All welcome.

CHURCH NEWS

Dear Friends,

All Souls' Day on 2nd November and Remembrance Day on 11th November are almost with us. These are important occasions for many people.

On the battlefield there are those who die and are never identified and The Tomb of the Unknown Warrior helps to mark their loss. The background story of this is remarkable. In 1916 David Railton, an army chaplain serving on the Western Front in Europe, saw a grave marked by a rough cross on which was pencilled "An unknown British soldier". This prompted his suggestion that the body of an unidentified British soldier from the battlefields of France might be buried in Westminster Abbey "among the kings" to represent all those who lost their lives in the First World War fighting for the Empire. Four years later, on November 11 1920, amidst great ceremony and with King George V in attendance, exactly this took place.

In preparation, several bodies were exhumed from the battlefields, brought to a chapel near Arras in France and placed in unmarked coffins. Brigadier Wyatt, his eyes closed, placed his hand on one of the coffins and that was the body chosen. With great ceremony at every stage the coffin was then brought across the channel to Westminster Abbey where it was received by 100 recipients of the Victoria Cross and a group of mourners comprising women each of whom had lost their husbands and each of their sons in the war. The coffin was buried in soil brought from France and to this day the Tomb of the Unknown Warrior is the only one in Westminster Abbey on which no one is allowed to walk.

As we prepare to remember those who have died, whether in warfare or otherwise, let us remember too the words and the tears of Jesus when faced with the death of Lazarus. Embodied there were Christian hope and caring, things which today and every day it is the church's duty and privilege to share with others.

WINTER NOTES

Thursday 4th December. 6pm Soup and rolls. 7pm music. £18 to include soup & a roll.

A seasonal concert in the beautiful acoustic of Rookhow Quaker Meeting House with Jack McNeill and friends. Come and take a seat at the fireside of this ensemble, with their voices, clarinet, bass clarinet, harmonium, piano and percussion. Expect the slightly unexpected as they weave musical creatures from the air and earth, sing of rivers, moons, and local legends. A new set of carols to accompany the old - carrying homelessness and ambition, songs of love and of time, the crack and spin of winter leaves and rain, dry-stone-walls of poems, words of grief and hope, lullabies, and tunes – well known and brand new – but mostly an invitation to be taken on a journey. To book a seat, email: contactrookhow@gmail.com
